

AQMCS PVT. LTD.

CODE OF CONDUCT AND ETHICS

AQMCS code of conduct set forth our core values, shared responsibilities, global commitments & Promises.

It provides general guidance about AQMCS expectations, highlights situations that require particular attention. It's also the first step for you to get clarity on any question related to ethical conduct.

It is not possible to address every situation in code of conduct that we face at work place. Therefore the code is by no mean a substitute for our good judgment upon which AQMCS depends.

We must remember that each of us is responsible for our actions & that the ethical choice is always the best choice

So review the code of conduct, understand & agree to adhere with AQMCS core values, shared responsibility, global commitments & Promises.

VISION

AQMCS becomes leading quality assessment, product certification & training organization of world

MISSION

AQMCS works as a neutral & independent partner for assessment, training, product certification and other areas in order to deliver economic values to customers & assist in management of their assets, projects, products and system, resulting in performance improvement & risk reduction.

QUALITY POLICY

SCOPE & PURPOSE OF THIS CODE

1. This Code sets out how we behave with:

- our employees, or those who work with us;
- our customers;
- our value-chain partners, including service providers sales representatives or other business associates;
- the governments of the countries in which we operate

2. In this Code, “we or us” means our company, our executive directors, officers, employees and those who work with us, as the context may require.

3. This code sets out our expectations of all those who work with us. We also expect those who deal with us to be aware that this Code underpins everything we do, and in order to work with us they need to act in a manner consistent with it

Remember it is our commitment to protect our reputation and our brand equity by adhering to the values and principles set out in this Code. By doing so, we strengthen our unique culture and identity.

NOTE

The Code does not provide a comprehensive and complete explanation of all expectations from a company stand point. Our employees have a continuing obligation to familiarise themselves with all applicable laws, company-level policies, procedures and rules as relevant.

I acknowledge that I have received the AQMCS Code of Conduct.

I have read the AQMCS Code of Conduct and I acknowledge that as an AQMCS employee/service provider, I comply with the guidelines described therein and failure to do so may subject me to action as per company policy.

If I have a concern about a violation, or a potential violation of the AQMCS Code of Conduct, I understand that there are channels available to me in my company to report such concerns.

By making use of these channels when necessary, I will play my part in maintaining the high ethical standards to which we hold ourselves.
